

The Ultralight Headset is a ruggedised lightweight communications headset. It provides optimum performance in harsh environmental conditions.

Key Features

- Minimal skin contact around the ear to minimise discomfort when worn in hot environmental conditions
- Compatible with all legacy Leonardo MW and other Original Equipment Manufacturers radios, including the Personal Role Radio
- Left and right ear variants available
- Comprises a small boom mounted noise cancelling electret microphone and miniature speaker
- Dual-fitting option, with or without three point cloth headband
- Optional microphone windshield
